RE: Elimination of End Date for Home Assessments and TEAM Meetings

Background

In May 1996, Municipally Based Health Services Bulletin 4 informed you of rates of reimbursement and descriptions of services for home assessments and TEAM meetings. At that time, the rates applied to services provided through October 1, 1996, with retroactive billing allowed for a maximum of two years.

Change

The end date of October 1, 1996, has been eliminated. The time frames for billing for home assessments and TEAM meetings will be open-ended to conform with all other service codes in the Municipal Medicaid Program.
